

The Parcel 32 story is a layered one. Beginning in 1837, when agriculture was thriving, the Charleston single-style home was built for a planter.  In 1856, it was sold to the Amme family, who operated the building as the peninsula's  highest-volume bakery for the next 75 years. Supplies came through on the rail behind the bakery. It was a centerpiece of the community: a place where  neighbors met to share everyday life.
