

**Position:** PARCEL 32 HOST – full time, benefits, competitive hourly rate

**Reports to:** AGM & GM

**Location:** 442 King St - Located in the heart of busy upper King Street, our newly renovated restaurant is gorgeous: boasting bright decor, outdoor spaces, killer bar area, and a updated kitchen to match.

### WHAT WE'RE LOOKING FOR

We are seeking people who want to contribute to creating a positive, dynamic and exciting work environment - making sure the energy and quality in the front of the house matches that from the back of the house. Currently hiring for a Host to join our awesome family! Specifically, a warm greeting tied with the absolute best customer service. Our goal is to turn locals into regulars, first time out of town guests into return guests. Prior restaurant experience is certainly preferred, but willing to train people who vibe with us and what we're about. Availability must include nights and weekends.

### WHAT WE'RE ABOUT

Quality ingredients and letting them shine. Appreciation for our local heritage and offerings. Showing our guests a damn good time. That's what we're about. Full-time employees are eligible for healthcare benefits, paid vacation time, a competitive 401K match and other advantageous perks. Enjoy the support offered by an established company (PPHG – check it out) which has numerous other venues as well as in-house marketing, HR and financial teams. At Parcel 32 we are inspired by the culinary and craftsman traditions of our city, as well as the current outstanding farmers, producers, purveyors and artisans who are excited to explore new horizons. To honor this, we have brought together the best of the old and the new in both cuisine and atmosphere. Parcel 32 incorporates the flavors and layered heritage of the coastal South in a refined, yet relaxed environment that reflects the building's history, as well as the modern influences of today. Our goal is to meld southern tradition with contemporary techniques, by providing flawless, authentic hospitality.
